ESET® NOD32® Antivirus version 3.0
– Business Edition

ESET NOD32 Antivirus Version 3.0 Business Edition is a highly effective security solution designed to protect business computers from a wide range of malware and other threats. Using advanced ThreatSense® technology, ESET NOD32 Antivirus detects future threats proactively, minimizing the window of vulnerability left open by traditional signature-based detection. Its low resource utilization and small footprint make it very efficient, even on older hardware, yet it supports the latest operating systems and 64-bit processors. ESET NOD32 Antivirus detects and disables viruses, trojans, worms, spyware, adware, phishing attacks, rootkits and other Internet threats that may pose a security or financial threat to businesses. Its comprehensive and proactive protection is unrivaled, yet it also has a very small system footprint — improving performance and conserving bandwidth.

The included ESET Remote Administrator provides centralized deployment and management, and scales easily from small offices to enterprise-sized networks.

Key Benefits

Proactive Protection	Award winning ThreatSense technology combines advanced heuristics and malware signatures to deliver the best Zero-Day protection.
Precise Detection	Accurately identifies known and unknown threats. Consistently wins top awards from testing labs and recognized for having zero false positives.* Businesses will bypass false alarms that cause confusion, loss of time and resources.
Lightweight	Built to ensure fast system startup, utilizing less system resources than competitors. More room for other business applications to run, increasing employee productivity.
Fast	Highly optimized code ensures file scanning and updates are quick and efficient, maximizing work performance.
Remote Administration	Ensures hassle-free installation, centralized administration and seamless updating within a network environment. Five users to the hundreds of thousands can be managed through Remote Administrator saving resources, time and money.
